HEAD BLOWN OFF BY DY

Isham Epps was Tamping Down Charge with Crowbar When it Exploded-Bar Went Up Through His Head -Part of Skull and Brains Found 40 Feet Away.

A fatality with blood chilling features occurred at the James Hewitt place off the Laurel Hill road about 0.45 o'clock Thursday morning, when Isaac Epps of this city was instantly killed by having his head blown off by a charge of dynamite, which exploded before he expected and while he was working over it in a weel. Robert Johnson was cut about the head, but John Murphy was not injured, they being at work with Mr. Edns.

Mr. Epps was a well known colored man about the city, who had had some experience the past year with explosives, having worked for some time in the Brooklyn tunnel with the dynamite gang, and he considered himself well qualified to handle the dangerous stuff. He was employed by James I. Hewitt to dig a well for him and had got it down about 14 feet when a ledge was encountered and it became necessary to blast. Assisted by Messrs. Murphy and Johnson, the latter a colored man, the ledge ind been drilled, and one charge of dynamite fired on Thursday morning. Mr. Epps had not covered this charge and the result was that a derrick over the well with planking were blown away, the derrick being broken.

A second charge was being put in place by Mr. Epps when the fatality occurred. He had placed the cartridge in the hole and was tamping some dirt about it with a crowbar. It is believed the dynamite was frozen and that when he struck it caused it to explede, blowing the crowbar up through his head, tearing away his face and the top of his skull, the latter, with his brains, being found upon Epps was a well known colored

NECESSARY TO ARREST

the ground about forty feet away from the well. Mr. Johnson was at the bottom of the hole with Mr. Epps at the time, but Mr. Murphy was upon the ground and escaped without injury. Mr. Johnson was not so fortunate as the blast filled his face and eyes full of sand and cut his head in several places with the fling rock. He was gotten out of the hole and was attended by Dr. Patrick Cassidy, who, upon finding that Mr. Epps was dead, called Medical Examiner Kimball, who looked into the circumstances, and gave Shea & Burke permission to take the body away. It was later turned over to Gager. The body remained at the foot of the well, not being blown to the top of the ground. Mr. Johnson was taken to the Backus hospital, where his wounds were cared for, but it is not expected that he will be required to stay there long. The affair caused great excitement in the neighborhood. Mr. Epps was born in Norfolk, Va., 53 years ago, his parents having been slaves, but he never was. His father was killed in the civil war. For the past 27 years he has been a resident of this city, where he was well and favorably known, He married Miss Catherine Dabney of this city, November 27, 1884. Rev. R. D. Wynn performing the ceremony. He is survived by his wife, who is a native of Yorktown, and two sons, Joseph E. Epps, aged 17, and Clurence Epps, aged 18. He lived at 41 1-2 Baltic street, and was an all-round workman. He was a lover of pets and had a number of 'coons and moneys which he used to lead about the streets. He was a deacon in the Mt. Calvary Baptist church. EVIDENCE COMPLETED IN COMMON PLEAS COURT

WEST SIDE STRIKERS. Suit of Hewitt vs. Main Will Be Ar Three Taken Into Custody by Police gued Next Tuesday-Mr. Main During the Day-Some More Em-Thinks It Will Take Him an Hour.

On Thursday morning there were a few of those who had worked Wednesday at the Givernaud Bros.' slik mill in Mechanic street who did not return, although the strikers had tried to persuade more to stay away. Some were out because of the weavers being out and they had no work. Superintendent Bergstresser was again in communication with the New oYrk office on Thursday and the proprietors are willing to shut up the mill if the employes don't want to work at the new wage scale. The entire day was spent Thursday in the common pleas court with the trial of the case of B. H. Hewitt vs. Fafayette F. Main, which started on Wednesday. The examination of Attorney Thayer was continued Thursday morning and he approved the fees charged by Mr. Hewitt with the exception that one fee of \$100 he thought should be \$75. Mr. Main cross-examined the lawyer, and considered that if he had had him he would have won his cases and there would have been no disputes over his bill.

Attorney Demond followed and gave testimony similar to Attorney Thayer regarding charges.

The defendant was then on the stand most of the day and showed statements where he had paid Mr. Hewitt, and maintained that he does not owe him anything. Attorney Hull cross-examined him at length and went into some of his past history.

Mr. Hewitt was recalled for some additional testimony, and the evidence was completed at 4.10 o'clock. Attorney Hull stated that he should not want but a few minutes to make his argument, but Mr. Main thought he would need about an hour to set forth his side of the contention.

Court was then adjourned uitil Tuesday morning at 10 o'clock.

BERRY BUILDING COMPLETED. The entire day was spent Thursday

morning.

The property of the company is well guarded to protect it from the strikers. Superintendent Bergstresser talked with a number of the strikers Thursday and learned that many of them are willing and want to return but fear some of the leaders. Some of the weavers now maintain that they do not object to the wage reduction, but want him to discharge some Polish help. This he refuses to do. Some of the strikers state that it is probable that they will return to work on Monday whe nit is found they cannot force the company to do as they dictate.

BERRY BUILDING COMPLETED. Made a Three Story Structure and Great Improvement Over Former

The work of remodeling the Berry property on Franklin street, near Bos-well avenue, which has been in progress

for a number of months under the di-rection of Elmore H. Berry, has practi-cally been completed now, transforming the old two story wooden building into three story structure with ornam a three story structure with ornamen-tal brick front and the other walls metal sheathed. On the ground floor is a store with 1,350 feet of floor space which can be used for either one or two stores, as it has two entrances and large plate glass windows. The store has steel ceiling and a cellar the full

has steel ceiling and a cellar the full size, 31x50.

On the two upper floors, which are reached by front stairs running up from the street, are four attractive tenements, extending through from front to rear. Each has four rooms, besides bathroom, and the front rooms have bay windows. The trim is in selected cypress, finished in its natural color, and there are all modern improvements, including hot water, water closets, set tubs, electric wiring and piping for gas for fuel. There are also rear stairs and a porch on each floor at the rear. at the rear.

The former frame building was ar old schoolhouse which was moved down onto the lot from the Falls. Some of the timbers in it were found to be of oak eight inches thick and in fine condition when the remodeling was undertaken.

A Prudent Man. President Taft refused to meet a visiting suffragette for the same reason, likely, that he doesn't go out and hunt for griszlies or bobcats!—Kansas City Star.

at the service, and the Elks will meet ast the lodge at 2 o'clock to march from there to the theater. The fol-lowing are the members who have died during the past year: Charles H. Drake, Rufus W. Marshall, Will-lam Greenberg Thomas G. McGarrity Man, physically, should be like a perfectly regulated machine, each part working easily in its appropriate place. A slight derangement causes undue friction and wear, and freplace. A slight derangement causes undue friction and wear, and frequently ruins the entire system.

A well-known educator of Boston found a way to keep the brain and the body in that harmonious co-operation which makes a joy of living.

"Two years ago," she writes, "being in a condition of nervous exhaustion, I resigned my position as teacher, which I had held for over 40 years. Since then the entire rest has, of course, been a benefit, but the use of Grape-Nuts has removed one great cause of illness in the past, namely, constipation, and its attendant evils.

"I generally make my entire breakfast on a raw egg besten into four spoonfuls of Grape-Nuts, with a little hot milk or hot water added. I like it extremely, my food assimilates and my bowels take care of themselves. I find my brain power and physical endurance much greater and I know that the use of the Grape-Nuts has contributed largely to this result.

"It is with feelings of gratitude that I write this testimonial, and frust it may be the means of aiding others in their search for health."

Look in page, for the little book, "The Road to Wellville." "There's a Resson." jam Greenberg, Thomas G. McGarrity, John J. Griffin, James D. Haggerty, John R. McNamara. IN SUPERIOR COURT. Given Administratrix of Estate of Robert Swanton in Suit Against New At the opening of the civil superior At the opening of the crystal morn-court in this city on Thursday morn-ing Judge Reed refused to grant the Attorney Berry, that the motion of Atforney Berry, that the judge direct the verdict, and the attor-neys proceeded to argue the case, and the jury was given it at 2.30 o'clock. At 3.30 o'clock the jury returned with a verdict for \$4,000 for the plaintiff. Most of the evidence in the case was by depositions taken in New York.

The suit of Sharp, adm., vs. Barrows has been settled, and the case of E. F. Allyn vs. A. T. Miner, exc., has gone off the list. Court was adjourned soon after the jury reported until this morning for short calendar business.

Windsor.—Edwin G. Down, son of R. L. Down, is making good in New York as a musical composer. He has now composed eight songe, all of which have been favorably received. Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human
